

Parent/Guardian:

**Rank One Sport** is an athlete management system that tracks and organizes paperwork specific to compliance and eligibility. This system was adopted to provide a more efficient means for Parents/Guardians to submit data pertaining to Sports Clearance(s) to the Nurse's office and Athletics Department. Simply stated, **Rank One Sport** has combined most of the Sports Clearance(s) paperwork into one manageable web-based package. It is our hope that this system will make our eligibility process far quicker and significantly more efficient. From this point forward, it will ponly be necessary to provide a hard copy of the **Physical Examination, as well as, (where applicable) the Administration of Medication and Self Medication Release** forms to the Nurse in the school your child attends. All other documents must be completed electronically at:

You will not be able to complete the Sports Candidate Health History forms prior to February 7<sup>th</sup>. The Rank One Sports window for the Middle School Spring season opens February 29<sup>th</sup> and closes March 14<sup>th</sup>. You will not be able to complete the Sports Candidate Health History forms prior to February 29<sup>th</sup>. If your child has participated in a sport previously this year, it is only necessary to complete the Sports Candidate Health History form and, IF THERE WERE CHANGES, the *Emergency Contact* form. <u>ALL OTHER ATHLETES MUST COMPLETE ALL FORMS.</u> You will receive email confirmation upon the successful submission of each form. Please see the attached document for a tutorial on the use of **Rank One Sport**. Much like the Parent Portal, you will need your child's Student ID to access the system. In the event that you have misplaced the Student ID, please contact administration in the school your child attends. If you have any further questions, I can be reached at 516-992-1049.

Sincerely,

Eric Caballero District Director of Athletics
