

BELLMORE-MERRICK CENTRAL HIGH SCHOOL DISTRICT  
**ATHLETICS**

---

Parent/Guardian:

**Rank One Sport** is an athlete management system that tracks and organizes paperwork specific to compliance and eligibility. This system was adopted to provide a more efficient means for Parents/Guardians to submit data pertaining to Sports Clearance(s) to the Nurse's office and Athletics Department. Simply stated, **Rank One Sport** has combined most of the Sports Clearance(s) paperwork into one manageable web-based package. It is our hope that this system will make our eligibility process far quicker and significantly more efficient. It will only be necessary to provide a hard copy of the **Physical Examination, as well as, (where applicable) the Administration of Medication and Self Medication Release** forms to the Nurse in the school your child attends. All other documents should be completed electronically at:

<https://bellmore-merrick.rankonesport.com/Main/Default2.aspx?Type=4>

\*If interested, you may also contact the nurse in your building regarding an alternative option for the completion of sports clearance paperwork

**The Rank One Sports windows for the winter High School and Middle School winter I sports seasons open October 15<sup>th</sup> and close November 7<sup>th</sup>.** As per NYS compliance, **you will not be able to complete the Sports Candidate Health History forms prior to October 15<sup>th</sup>.** If your child has participated in a sport previously this year, it is only necessary to complete the **Sports Candidate Health History** form and, **IF THERE WERE CHANGES**, the **Emergency Contact** form. **ALL OTHER ATHLETES MUST COMPLETE ALL FORMS.** You will receive email confirmation upon the successful submission of each form. **All paperwork received after the deadline MAY result in a delay in sports clearance.**

**PLEASE ALLOW 24-48 HOURS FOR THE NURSE TO CLEAR YOUR CHILD FOR PARTICIPATION.**

Kindly view the attached document for a tutorial on the use of **Rank One Sport**. Much like the Parent Portal, you will need your child's Student ID to access the system. In the event that you have misplaced the Student ID, please contact administration in the school your child attends.
