

BELLMORE-MERRICK CENTRAL HIGH SCHOOL DISTRICT  
**ATHLETICS**

---

Parent/Guardian:

**Rank One Sport** is an athlete management system that tracks and organizes paperwork specific to compliance and eligibility. This system was adopted to provide a more efficient means for Parents/Guardians to submit data pertaining to Sports Clearance(s) to the Nurse's office and Athletics Department. It is our hope that this system will make our sports clearance process far quicker and significantly more efficient. In addition to the four requisite forms, you may now also upload a copy of the **Physical Examination, as well as, (where applicable) the Administration of Medication and Self Medication Release** forms. As has been done in the past, you may also submit a hard copy to the Nurse in the school your child attends. Nonetheless, the following forms must be completed electronically at:

<https://bellmore-merrick.rankonesport.com/New/NewInstructionsPage.aspx>

1. Sports Candidate Health History Form Fall 2019
2. Code of Conduct
3. Concussion Management
4. Emergency Contact Release
5. Authorization for Examination by School Physician – **Only if you are using the school physician**

\*If interested, you may also contact the nurse in your building regarding an alternative option for the completion of sports clearance paperwork

**The Rank One Sports window for the High School Fall season opens July 29<sup>th</sup> and closes August 15<sup>th</sup>.** You will not be able to complete the Sports Candidate Health History forms prior to July 29<sup>th</sup>.

**The Rank One Sports window for the Middle School Fall season opens August 12<sup>th</sup> and closes August 30<sup>th</sup>.** You will not be able to complete the Sports Candidate Health History forms prior to August 12<sup>th</sup>.

Much like the Parent Portal, you will need your child's Student ID to access the system. However, it is not necessary to log into the *Rank One Sport* parental portal to complete electronic forms. **In fact, this will not permit you to access or complete new forms and further delay the process.** Please click on "**Proceed To Online Forms**" and continue as "**Guest**". In the event that you have misplaced the Student ID, please contact administration in the school your child attends.
