For driving directions to Calhoun, Grand Ave Middle School and Merrick Ave Middle School use Google MAPs or WAZE:

*The Supportive Decision Making process goal is to help persons with ID/DD in New York State to make more of their own decisions with support. SDMNY facilitators can work one-on-one with persons with ID/DD to help them create Supported Decision-Making Agreements with their chosen support persons. These Agreements are an important alternative to guardianship that may help persons with ID/DD either avoid guardianship in the first place or make an important step towards regaining their rights.
