

## Provide families with strategies to support reading at home!

Partner with families to promote literacy by providing them with evidence-based tips and strategies they can use at home to help their children become better, lifelong readers.

### Reading for Success: Engaging Parents in Your Literacy Program

This resource kit is your complete literacy program in a box! You'll find:

- **A DVD with a ready-to-use video presentation** geared to improving literacy.
- **A CD-ROM with a PowerPoint presentation** that a speaker of your choice can narrate, a presenter's guide and script, and all the reproducible materials included in the binder.
- **Handouts for parents**, sample invitations and publicity materials, program profiles and ideas for hosting literacy events, and research reference materials.
- **50 copies of our best-selling booklet:** "25 Ways Parents Can Read with Children."
- **Materials for school staff and teachers** on engaging parents and maintaining literacy momentum all year.
