

BELLMORE-MERRICK CENTRAL HIGH SCHOOL DISTRICT
ATHLETICS

Parent/Guardian:

Rank One Sport is an athlete management system that tracks and organizes paperwork specific to compliance and eligibility. This system was adopted to provide a more efficient means for Parents/Guardians to submit data pertaining to Sports Clearance(s) to the Nurse's office and Athletics Department. Simply stated, **Rank One Sport** has combined most of the Sports Clearance(s) paperwork into one manageable web-based package. It is our hope that this system will make our eligibility process far quicker and significantly more efficient. From this point forward, it will only be necessary to provide a hard copy of the **Physical Examination, as well as, (where applicable) the Administration of Medication and Self Medication Release** forms to the Nurse in the school your child attends. All other documents should be completed electronically at:

*If interested, you may also contact the nurse in your building regarding an alternative option for the completion of sports clearance paperwork

The Rank One Sports window for the Middle School Spring season opens August 15th and closes August 29th. You will not be able to complete the Sports Candidate Health History forms prior to August 15th. YOU MUST COMPLETE ALL FORMS TO BE CLEARED FOR SPORTS PARTICIPATION. You will receive an email confirmation upon the successful submission of each form.

PLEASE ALLOW APPROXIMATELY FOUR DAYS FOR THE NURSE TO CLEAR YOUR CHILD FOR PARTICIPATION. Much like the Parent Portal, you will need your child's Student ID to access the system. However, it is not necessary to log into the *Rank One Sport* parental portal to complete electronic forms. **In fact, this will not permit you to access or complete new forms and further delay the process.** In the event that you have misplaced the Student ID, please contact administration in the school your child attends.
