Rank One Sport is an athlete management system that tracks and organizes paperwork specific to compliance and eligibility. This system provides an efficient means for Parents/Guardians to submit data pertaining to Sports Clearance(s) to the Nurse's office and Athletics Department.

Currently, *Rank One Sport* has combined the following Sports Clearance(s) paperwork into one manageable web-based package:

- ✚ **Athlete Code of Conduct**
- ✚ **Concussion Management**
- ✚ **Emergency Contact/Release**
- ✚ **Sports Candidate Health History**

You will receive email confirmation upon the successful submission of each form. Much like the Parent Portal, you will need your child's Student ID to access the system.

Consequently, it is only necessary to provide a hard copy of the **Physical Examination, as well as, (where applicable) the Administration of Medication and Self Medication Release** forms to the school Nurse.
