

Workshop for Parents of Children with Special Needs

Part 1: Social Media/Digital Citizenship/ Cyber Bullying
Part 2: Behavior strategies parents can use to help their children
navigate social media safely.

Please join Bellmore-Merrick's technology experts, school psychologist and BlueSea's behavior consultants for an informational seminar.

Purpose of Presentation:

- Provide an overview of various social media such as Facebook, Twitter, Kik, Instagram, online gaming etc. and the hidden dangers parents may not be aware of.
- Describe proactive strategies parents may find useful in helping their children navigate today's technology safely (e.g. set boundaries, monitor their activities).

This workshop is for all parents, including parents of students with special needs.
